How it Works

- Round 1 – We'll pick 5 winners
- Round 2 – We'll pick another 5 winners
- Final – Public vote for the winner from our top 10 photos

Top Prize

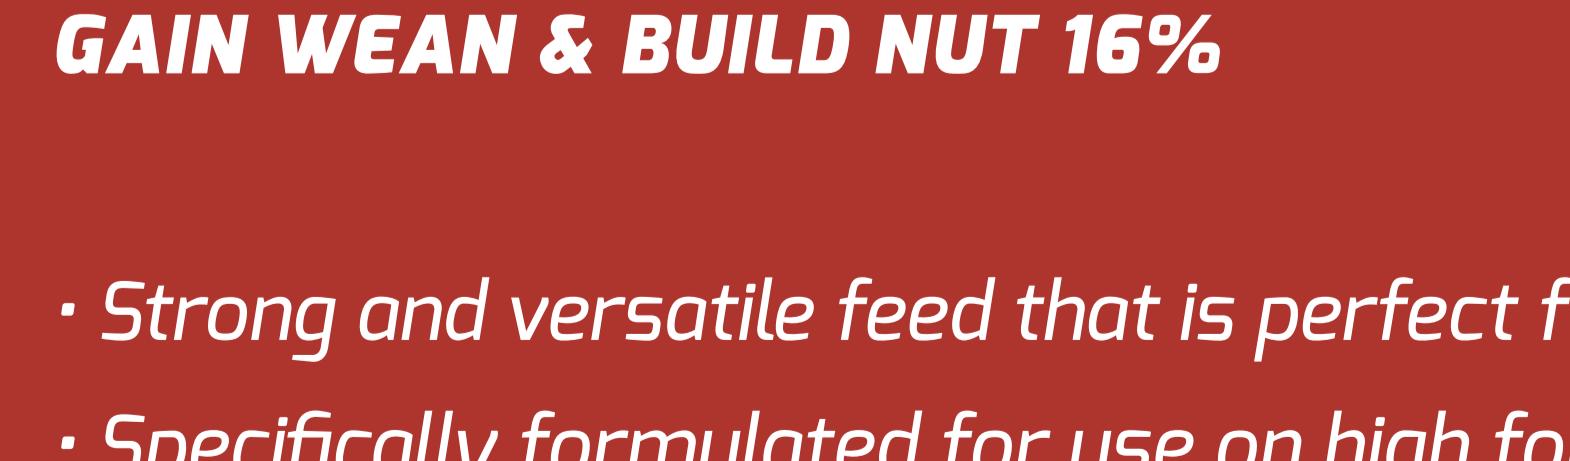

Milk Bar Mobile 50 Calf Feeder (Retail Value €3,500)

Simple, durable and easy to use – the classic Milk Bar mobile feeder features a galvanized trailer, superior stability, a large 45cm diameter opening and a manual leveller to ensure an even flow of milk to all teats. Milk Bar Mobiles have no pipes or tubes to clog and trap bacteria and are very easy to clean. It's super easy to clean and the teats do not need to be removed for cleaning.

PLUS

A pallet of GAIN Calf Feed (42 bags)

Choose from any one of our calf feed range, each optimised for steady growth and performance of your calves, at each stage of their development.
